

Rules of order

We would like to draw your attention to the following rules of procedure that apply in the property.

Show consideration

From 22:00 to 07:00 there should be silence in the house. Behave correctly and nicely, and show consideration for each other. This makes the accommodation both nicer and easier.

Pets in the yard and in the stairwell

Tenants who are owners of pets shall ensure that the animals do not harm or contaminate spaces in and around the property. Pets must not be rested on the yard.

Bicycles and strollers

Do not place bicycles, strollers in the entrance of the house, stairs or other designed spaces. Bicycles and strollers are not allowed to be placed in stairwells due to fire risk.

Also, do not place any carpets outside the apartment door in the stairwell/loft aisle as these can prevent accessibility and make cleaning more difficult

Smoking

It is (of course) forbidden to smoke in entrances, laundries, stairwells etc. Throwing cigarette butts in common areas or from the balcony down in the yard. Do not smoke under the ventilation as there is a risk that the smoke will find its way into the neighbour.

At the same time, we would like to inform you that you are not allowed to put garbage bags in the stairwell. If you don't go out and throw the trash right away, you can keep them inside the apartment.

What should I do if I am disturbed by a neighbour?

Contact the person who is the cause and speak in a calm and friendly way. Often the situation can be resolved immediately. If this does not help, please contact Fastpartner on 08 – 402 34 60, and we will help you
